VII. STATUS OF COMPLIANCE WITH SECTION 33334.16

With respect to interests in real property acquired by the former RDA prior to February 1, 2012, the time periods described in Section 33334.16 shall be deemed to have commenced on the date that the Department of Finance (“DOF”) approved the property as a housing asset. By letter dated August 31, 2012, DOF approved as housing assets the former RDA’s interest in the real properties commonly known as 4542 12th Street and 855 Pioneer Street in the City of Guadalupe, County of Santa Barbara, California (the “Properties”), which interest was acquired by the former RDA prior to February 1, 2012. Thus, as to the former RDA’s interest in the Properties now held by the Housing Successor, the Housing Successor must initiate activities consistent with the development of the Properties for affordable housing purposes by August 31, 2017.

Pursuant to Section 33334.16, the Housing Successor executed a Resolution whereby it elects to extend the period during which the Housing Successor may retain the Properties before initiating activities

consistent with the development of affordable housing by five additional years, up to and including August 31, 2022.

Section 34176.1(a)(3)(B) requires that the Housing Successor require at least 30% of the LMIHAF to be expended for development of rental housing affordable to and occupied by households earning 30% or less of the AMI. If the Housing Successor fails to comply with the Extremely-Low Income requirement in any five-year report, then the Housing Successor must ensure that at least 50% of the funds remaining in the LMIHAF be expended in each fiscal year following the latest fiscal year following the report on households earning 30% or less of the AMI until the Housing Successor demonstrates compliance with the Extremely-Low Income requirement. This information is not required to be reported until 2019 for the 2014-2019 period.

X. SENIOR HOUSING TEST

The Housing Successor is to calculate the percentage of units of deed-restricted rental housing restricted to seniors and assisted by the Housing Successor, the former RDA and/or the County within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted by the Housing Successor, the former RDA and/or County within the same time period. If this percentage exceeds 50%, then the Housing Successor cannot expend future funds in the LMIHAF to assist additional senior housing units until the Housing Successor or County assists and construction has commenced on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units.

The Housing Successor currently only assists undeveloped property and therefore the senior housing test is not applicable.
